

Remarks

Claims 1 and 4 through 23 remain pending in the application. Claims 2 and 3 are cancelled. Claims 24 through 27 are presently added.

The Office Action of February 22, 2010 objects to claims 3 through 21 as dependent upon a rejected base claim. The claims are amended to place the application in condition for allowance. In addition, newly added claims 24 through 27 are directed to an apparatus that includes similar limitations to those in the objected claims.

Conclusion

This response has addressed all of the Examiner's grounds for objection. Reconsideration of the rejections and allowance of the claims is requested.
